Federal Old-Age and Survivors Insurance Trust Fund and Federal Disability Insurance Trust Fund.--Sec. 201. (a) There is hereby created on the books of the Treasury of the United States a trust fund to be known as the "Federal Old-Age and Survivors Insurance Trust Fund." The Federal Old-Age and Survivors Insurance Trust Fund shall consist of the securities held by the Secretary of the Treasury for the Old-Age Reserve Account and the amount standing to the credit of the Old-Age Reserve Account on the books of the Treasury on January 1, 1940, which securities and amount the Secretary of the Treasury is authorized and directed to transfer to the Federal Old-Age and Survivors Insurance Trust Fund, and, in addition, such amounts as may be appropriated to, or deposited in, the Federal Old-Age and Survivors Insurance Trust Fund, as hereinafter provided. There is hereby appropriated to the Federal Old-Age and Survivors Insurance Trust Fund for the fiscal year ending June 30, 1941, and for each fiscal year thereafter, out of any moneys in the Treasury not otherwise appropriated, amounts equivalent to 100 per centum of--

(1) the taxes (including interest, penalties, and additions to the taxes) received under subchapter A of chapter 9 of the Internal Revenue Code of 1939 (and covered into the Treasury) which

are deposited into the Treasury by collectors of internal revenue before January 1, 1951; and

(2) the taxes certified each month by the Commissioner of Internal Revenue as taxes received under subchapter A of chapter 9 of such Code which are deposited into the Treasury by collectors of internal revenue after December 31, 1950, and before January 1, 1953, with respect to assessments of such taxes made before January 1, 1951; and

(3) the taxes imposed by subchapter A of chapter 9 of such Code with respect to wages (as defined in section 1426 of such Code), and by chapter 21 of the Internal Revenue Code of 1954 with respect to wages (as defined in section 3121 of such Code) re-reported to the Commissioner of Internal Revenue pursuant to section 1420(c) of the Internal Revenue Code of 1939 after December 31, 1950, or to the Secretary of the Treasury or his delegates pursuant to subtitle F of the Internal Revenue Code of 1954 after December 31, 1954, as determined by the Secretary of the Treasury by applying the applicable rates of tax under such subchapter or chapter 21 to such wages, which wages shall be certified by the Secretary of Health, Education, and Welfare on the basis of the records of wages established and maintained by such Secretary in accordance with such reports, less the amounts specified in clause (1) of subsection (b) of this section; and

(4) the taxes imposed by subchapter E of chapter 1 of the Internal Revenue Code of 1939, with respect to self-employment income (as defined in section 481 of such Code), and by chapter 2 of the Internal Revenue Code of 1954 with respect to self-employment income (as defined in section 1402 of such Code) reported to the Commissioner of Internal Revenue on tax returns under such subchapter or to the Secretary of the Treasury or his delegate on tax returns under subtitle F of such Code, as determined by the Secretary of the Treasury by applying the applicable rate of tax under such subchapter or chapter to such self-employment income, which self-employment income shall be certified by the Secretary of Health, Education, and Welfare on the basis of the records of self-employment income established and maintained by the Secretary of Health, Education, and Welfare in accordance with such returns, less the amounts specified in clause (2) of subsection (b) of this section.

The amounts appropriated by clauses (3) and (4) shall be transferred from time to time from the general fund in the Treasury to the Federal Old-Age and Survivors Insurance Trust Fund, and the amounts appropriated by clauses (1) and (2) of subsection (b) shall be transferred from time to time from the general fund in the Treasury to the Federal Disability Insurance Trust Fund, such amounts to be determined on the basis of estimates by the Secretary of the Treasury of the taxes, specified in clauses (3) and (4) of this subsection, paid to or deposited into the Treasury; and proper adjustments shall be made in amounts subsequently transferred to the extent prior estimates were in excess

of or were less than the taxes specified in such clauses (3) and (4) of this subsection.

There is hereby created on the books of the Treasury of the United States a trust fund to be known as the "Federal Disability Insurance Trust Fund." The Federal Disability Insurance Trust Fund shall consist of such amounts as may be appropriated to, or deposited in, such fund as provided in this section. There is hereby appropriated to the Federal Disability Insurance Trust Fund for the fiscal year ending June 30, 1957, and for each fiscal year thereafter, out of any moneys in the Treasury not otherwise appropriated, amounts equivalent to 100 per centum of--

(1) One-half of 1 per centum of the wages (as defined in section 3121 of the Internal Revenue Code of 1954) paid after December 31, 1956, and reported to the Secretary of the Treasury or his delegate pursuant to subtitle F of the Internal Revenue Code of 1954, which wages shall be certified by the Secretary of Health, Education, and Welfare on the basis of the records of wages established and maintained by such Secretary in accordance with such reports; and

(2) Three-eighths of 1 per centum of the amount of self-employment income (as defined in section 1402 of the Internal Revenue Code of 1954) reported to the Secretary of the Treasury or his delegate on tax returns under subtitle F of the Internal Revenue Code of 1954 for any taxable year beginning after December 31, 1956, which self-employment income shall be

certified by the Secretary of Health, Education, and Welfare on the basis of the records of self-employment income established and maintained by the Secretary of Health, Education, and Welfare in accordance with such returns.

(c) With respect to the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund (hereinafter in this title called the "Trust Funds") there is hereby created a body to be known as the Board of Trustees of the Trust Funds (hereinafter in this title called the "Board of Trustees") which Board of Trustees shall be composed of the Secretary of the Treasury, the Secretary of Labor, and the Secretary of Health, Education, and Welfare, all ex officio. The Secretary of the Treasury shall be the Managing Trustee of the Board of Trustees (hereinafter in this title called the "Managing Trustee"). The Commissioner of Social Security shall serve as Secretary of the Board of Trustees. The Board of Trustees shall meet not less frequently than once each six months. It shall be the duty of the Board of Trustees to--

(1) Hold the Trust Funds;

(2) Report to the Congress not later than the first day of March of each year on the operations and status of the Trust Funds during the preceding fiscal year and on their expected operation and status during the next ensuing five fiscal years;

(3) Report immediately to the Congress whenever the Board of Trustees is of the opinion that the amount of either of the Trust Funds is unduly small;

(4) Recommend improvements in administrative procedures and policies designed to effectuate the proper coordination of the old-age and survivors insurance and Federal-State unemployment compensation program; and

(5) Review the general policies followed in managing the Trust Funds, and recommend changes in such policies, including necessary changes in the provisions of the law which govern the way in which the Trust Funds are to be managed.

The report provided for in paragraph (2) above shall include a statement of the assets of, and the disbursements made from, the Trust Funds during the preceding fiscal year, an estimate of the expected future income to, and disbursements to be made from, the Trust Funds during each of the next ensuing five fiscal years, and a statement of the actuarial status of the Trust Funds. Such reports shall be printed as a House document of the session of the Congress to which the report is made.

(d) It shall be the duty of the Managing Trustee to invest such portion of the Trust Funds as is not, in his judgment, required to meet current withdrawals. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purposes such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United

States may be issued under the Second Liberty Bond Act, as amended, are hereby extended to authorize the issuance at par of public-debt obligations for purchase by the Trust Funds. Such obligations issued for purchase by the Trust Funds shall have maturities fixed with due regard for the needs of the Trust Funds and shall bear interest at a rate equal to the average market yield (computed by the Managing Trustee on the basis of market quotations as of the end of the calendar month next preceding the date of such issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest of such obligations shall be the multiple of one-eighth of 1 per centum nearest such market yield. The Managing Trustee may purchase other interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price, only where he determines that the purchase of such other obligations is in the public interest.

(e) Any obligations acquired by the Trust Funds (except public-debt obligations issued exclusively to the Trust Funds) may be sold by the Managing Trustee at the market price, and such public-debt obligations may be redeemed at par plus accrued interest.

(f) The interest on, and the proceeds from the sale or redemption of, any obligations held in the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund shall be credited to and form a part of the Federal Old-Age and Survivors Insurance Trust Fund and the Disability Insurance Trust Fund, respectively.

(g) (1) The Managing Trustee is directed to pay from the Trust Funds into the Treasury the amounts estimated by him and the Secretary of Health, Education, and Welfare which will be expended, out of moneys appropriated from the general funds in the Treasury, during a three-month period by the Department of Health, Education, and Welfare and the Treasury Department for the administration of titles II and VIII of this Act and subchapter E of chapter 1 and subchapter A of chapter 9 of the Internal Revenue Code of 1939, and chapters 2 and 21 of the Internal Revenue Code of 1954. Such payments shall be covered into the Treasury as repayments to the account for reimbursement of expenses incurred in connection with the administration of titles II and VIII of this Act and subchapter E of chapter 1 and subchapter A of chapter 9 of the Internal Revenue Code of 1939, and chapters 2 and 21 of the Internal Revenue Code of 1954. There are hereby authorized to be made available for expenditure, out of either or both of the Trust Funds, such amounts as the Congress may deem appropriate to pay the cost of administration of this title. After the close of each fiscal year, the Secretary of Health, Education, and Welfare shall analyze the costs of administration of this title incurred during such fiscal year in order to determine the portion of such costs which should have been

borne by each of the Trust Funds and shall certify to the Managing Trustee the amount, if any, which should be transferred from one to the other of such Trust Funds in order to insure that each of the Trust Funds has borne its proper share of the costs of administration of this title incurred during such fiscal year. The Managing Trustee is authorized and directed to transfer any such amount from one to the other of such Trust Funds in accordance with any certification so made.

(2) The Managing Trustee is directed to pay from time to time from the Trust Funds into the Treasury the amount estimated by him as taxes which are subject to refund under section 6413(c) of the Internal Revenue Code of 1954 with respect to wages (as defined in section 1426 of the Internal Revenue Code of 1939 and section 3121 of the Internal Revenue Code of 1954) paid after December 31, 1950. Such taxes shall be determined on the basis of the records of wages established and maintained by the Secretary of Health, Education, and Welfare in accordance with the wages reported to the Commissioner of Internal Revenue pursuant to section 1420(c) of the Internal Revenue Code of 1939 and to the Secretary of the Treasury or his delegate pursuant to subtitle F of the Internal Revenue Code of 1954, and the Secretary shall furnish the Managing Trustee such information as may be required by the Trustee for such purpose. The payments by the Managing Trustee shall be covered into the Treasury as repayments to the account for refunding internal revenue collections. Payments pursuant to the first sentence of this paragraph shall be made from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund in the ratio

in which amounts were appropriated to such Trust Funds under clause (3) of subsection (a) of this section and clause (1) of subsection (b) of this section.

(3) Repayments made under paragraph (1) or (2) shall not be available for expenditures but shall be carried to the surplus fund of the Treasury. If it subsequently appears that the estimates under either such paragraph in any particular period were too high or too low, appropriate adjustments shall be made by the Managing Trustee in future payments.

(h) Benefit payments required to be made under section 223, and benefit payments required to be made under subsection (b), (c), or (d) of section 202 to individuals entitled to benefits on the basis of the wages, and self-employment income of an individual entitled to disability insurance benefits shall be made only from the Federal Disability Insurance Trust Fund. All other benefit payments required to be made under this title shall be made only from the Federal Old-Age and Survivors Insurance Trust Fund.

Benefits in Case of Veterans.---Sec. 217. (a) (1) For purposes of determining entitlement to and the amount of any monthly benefit for any month after August 1950, or entitlement to and the amount of any lump-sum death payment in case of a death after such month, payable under this title on the basis of the wages and self-employment income of any World War II veteran, and for purposes of section 216(i) (3), such veteran shall be deemed to have been paid wages (in addition to the wages, if any,

actually paid to him) of \$160 in each month during any part of which he served in the active military or naval service of the United States during World War II. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if--

(A) a larger such benefit or payment, as the case may be, would be payable without its application; or

(B) a benefit (other than a benefit payable in a lump sum unless it is a commutation of, or a substitute for, periodic payments) which is based, in whole or in part, upon the active military or naval service of such veteran during World War II is determined by any agency or wholly owned instrumentality of the United States (other than the Veterans' Administration) to be payable by it under any other law of the United States or under a system established by such agency or instrumentality. The provisions of clause (B) shall not apply in the case of any monthly benefit or lump-sum death payment under this title if its application would reduce by \$0.50 or less the primary insurance amount (as computed under section 215 prior to any recomputation thereof pursuant to subsection (f) of such section) of the individual on whose wages and self-employment income such benefit or payment is based. The provisions of clause (B) shall also not apply for purposes of section 216(i) (3).

(2) Upon application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any World War II

veterans, the Secretary of Health, Education, and Welfare shall make a decision without regard to clause (B) of paragraph (1) of this subsection unless he has been notified by some other agency or instrumentality of the United States that, on the basis of the military or naval service of such veteran during World War II, a benefit described in clause (B) of paragraph (1) has been determined by such agency or instrumentality to be payable by it. If he has not been so notified, the Secretary of Health, Education, and Welfare shall then ascertain whether some other agency or wholly owned instrumentality of the United States has decided that a benefit described in clause (B) of paragraph (1) is payable by it. If any such agency or instrumentality has decided, or thereafter decides, that such a benefit is payable by it, it shall so notify the Secretary of Health, Education, and Welfare, and the Secretary shall certify no further benefits for payment or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection.

(3) Any agency or wholly owned instrumentality of the United States which is authorized by any law of the United States to pay benefits, or has a system of benefits which are based, in whole or in part, on military or naval service during World War II shall, at the request of the Secretary of Health, Education, and Welfare, certify to him, with respect to any veteran, such information as the Secretary deems necessary to carry out his functions under paragraph (2) of this subsection.

(b) (1) Any World War II veteran who died during the period of three years immediately following his separation from the active military or naval service of the United States shall be deemed to have died a fully insured individual whose primary insurance amount is the amount determined under section 215(c). Notwithstanding section 215(d), the primary insurance benefit (for purposes of section 215(c)) of such veteran shall be determined as provided in this title as in effect prior to the enactment of this section, except that the 1 per centum addition provided for in section 209(e) (2) of this Act as in effect prior to the enactment of this section shall be applicable only with respect to calendar years prior to 1951. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if--

(A) a larger such benefit or payment, as the case may be, would be payable without its application;

(B) any pension or compensation is determined by the Veterans' Administration to be payable by it on the basis of the death of such veteran;

(C) the death of the veteran occurred while he was in the active military or naval service of the United States; or

(D) such veteran has been discharged or released from the active military or naval service of the United States subsequent to July 26, 1951.

(2) Upon an application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any World War II

veteran, the Secretary of Health, Education, and Welfare shall make a decision without regard to paragraph (1) (B) of this subsection unless he has been notified by the Veterans' Administration that pension or compensation is determined to be payable by the Veterans' Administration by reason of the death of such veteran. The Secretary of Health, Education, and Welfare shall thereupon report such decision to the Veterans' Administration. If the Veterans' Administration in any such case has made an adjudication or thereafter makes an adjudication that any pension or compensation is payable under any law administered by it, it shall notify the Secretary of Health, Education, and Welfare and the Secretary shall certify no further benefits for payment, or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection. Any payment theretofore certified by the Secretary of Health, Education, and Welfare on the basis of paragraph (1) of this subsection to any individual, not exceeding the amount of any accrued pension or compensation payable to him by the Veterans' Administration, shall (notwithstanding the provisions of section 3101 of title 38, United States Code) be deemed to have been paid to him by such Administration on account of such accrued pension or compensation. No such payment certified by the Secretary of Health, Education, and Welfare, and no payment certified by him for any month prior to the first month for which any pension or compensation is paid by the Veterans' Administration shall be deemed by reason of this subsection to have been an erroneous payment.

(c) In the case of any World War II veterans to whom subsection (a) is applicable, proof of support required under section 202(h) may

be filed by a parent at any time prior to July 1951 or prior to the expiration of two years after the date of the death of such veteran, whichever is the later.

(d) For the purposes of this section--

(1) The term "World War II" means the period beginning with September 16, 1940, and ending at the close of July 24, 1947.

(2) The term "World War II veteran" means any individual who served in the active military or naval service of the United States at any time during World War II and who, if discharged or released therefrom, was so discharged or released under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty; but such term shall not include any individual who died while in the active military or naval service of the United States if his death was inflicted (other than by an enemy of the United States) as lawful punishment for a military or naval offense.

(e) (1) For purposes of determining entitlement to and the amount of any monthly benefit or lump-sum death payment payable under this title on the basis of wages and self-employment income of any veteran (as defined in paragraph (4)), and for purposes of section 216(i) (3), such veteran shall be deemed to have been paid wages (in addition to the wages, if any, actually paid to him) of \$160 in each month during any

part of which he served in the active military or naval service of the United States on or after July 25, 1947, and prior to January 1, 1957. This subsection shall not be applicable in the case of any monthly benefit or lump-sum death payment if--

(A) a larger such benefit or payment, as the case may be, would be payable without its application; or

(B) a benefit (other than a benefit payable in a lump sum unless it is a commutation of, or a substitute for, periodic payments) which is based, in whole or in part, upon the active military or naval service of such veteran on or after July 25, 1947, and prior to January 1, 1957, is determined by any agency or wholly owned instrumentality of the United States (other than the Veterans' Administration) to be payable by it under any other law of the United States or under a system established by such agency or instrumentality.

The provisions of clause (B) shall not apply in the case of any monthly benefit or lump-sum death payment under this title if its application would reduce by \$0.50 or less the primary insurance amount (as computed under section 215 prior to any recomputation thereof pursuant to subsection (f) of such section) of the individual on whose wages and self-employment income such benefit or payment is based. The provisions of clause (B) shall also not apply for purposes of section 216(i) (3). In the case of monthly benefits under this title for months after December 1956 (and any lump-sum death payment under this title with respect to a death occurring after December 1956) based on the wages and

self-employment income of a veteran who performed service (as a member of a uniformed service) to which the provisions of section 210 (1) (1) are applicable, wages which would, but for the provisions of clause (B), be deemed under this subsection to have been paid to such veteran with respect to his active military or naval service performed after December 1950 shall be deemed to have been paid to him with respect to such service notwithstanding the provisions of such clause, but only if the benefits referred to in such clause which are based (in whole or in part) on such service are payable solely by the Army, Navy, Air Force, Marine Corps, Coast Guard, Coast and Geodetic Survey or Public Health Service.

(2) Upon application for benefits or a lump-sum death payment on the basis of the wages and self-employment income of any veteran, the Secretary of Health, Education, and Welfare shall make a decision without regard to clause (B) of paragraph (1) of this subsection unless he has been notified by some other agency or instrumentality of the United States that, on the basis of the military or naval service of such veteran on or after July 25, 1947, and prior to January 1, 1957, a benefit described in clause (B) of paragraph (1) has been determined by such agency or instrumentality to be payable by it. If he has not been so notified, the Secretary of Health, Education, and Welfare shall then ascertain whether some other agency or wholly owned instrumentality of the United States has decided that a benefit described in clause (B) of paragraph (1) is payable by it. If any such agency or instrumentality has decided, or thereafter decides, that

such a benefit is payable by it, it shall so notify the Secretary of Health, Education, and Welfare, and the Secretary shall certify no further benefits for payment or shall recompute the amount of any further benefits payable, as may be required by paragraph (1) of this subsection.

(3) Any agency or wholly owned instrumentality of the United States which is authorized by any law of the United States to pay benefits, or has a system of benefits which are based, in whole or in part, on military or naval service on or after July 25, 1947, and prior to January 1, 1957, shall, at the request of the Secretary of Health, Education, and Welfare, certify to him, with respect to any veteran, such information as the Secretary deems necessary to carry out his functions under paragraph (2) of this subsection.

(4) For the purposes of this subsection, the term "veteran" means any individual who served in the active military or naval service of the United States at any time on or after July 25, 1947, and prior to January 1, 1957, and who, if discharged or released therefrom, was so discharged or released under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty; but such term shall not include any individual who died while in the active military or naval service of the United States if his death was inflicted (other than by an enemy of the United States) as lawful punishment for a military or naval offense.

(f) (1) In any case where a World War II veteran (as defined in subsection (d) (2)) or a veteran (as defined in subsection (e) (4)) has died or shall hereafter die, and his widow or child is entitled under the Civil Service Retirement Act of May 29, 1930, as amended, to an annuity in the computation of which his active military or naval service was included, clause (B) of subsection (a) (1) or clause (B) of subsection (e) (1) shall not operate (solely by reason of such annuity) to make such subsection inapplicable in the case of any monthly benefit under section 202 which is based on his wages and self-employment income; except that no such widow or child shall be entitled under section 202 to any monthly benefit in the computation of which such service is included by reason of this subsection (A) unless such widow or child after December 1956 waives his or her right to receive such annuity, or (B) for any month prior to the first month with respect to which the Civil Service Commission certifies to the Secretary of Health, Education, and Welfare that (by reason of such waiver) no further annuity will be paid to such widow or child under such Act of May 29, 1930, as amended, on the basis of such veteran's military or civilian service. Any such waiver shall be irrevocable.

(2) Whenever a widow waives her right to receive such annuity such waiver shall constitute a waiver on her own behalf; a waiver by a legal guardian or guardians, or, in the absence of a legal guardian, the person (or persons) who has the child in his care, of the child's right to receive such annuity shall constitute a waiver on behalf of

such child. Such a waiver with respect to an annuity based on a veteran's service shall be valid only if the widow and all children, or, if there is no widow, all the children, waive their rights to receive annuities under the Civil Service Retirement Act of May 29, 1930, as amended, based on such veteran's military or civilian service.

(g) (1) There are hereby authorized to be appropriated to the Trust Funds annually, as benefits under this title are paid after June 1956, such sums as the Secretary of Health, Education, and Welfare determines to be necessary to meet the additional costs, resulting from subsections (a), (b), and (e), of such benefits (including lump-sum death payments).

(2) The Secretary shall, before October 1, 1958, determine the amount which would place the Federal Old-Age and Survivors Insurance Trust Fund in the same position in which it would have been at the close of June 30, 1956, if section 210 of this Act, as in effect prior to the Social Security Act Amendments of 1950, and section 217 of this Act (including amendments thereof), had not been enacted. There are hereby authorized to be appropriated to such Trust Fund annually, during the first ten fiscal years beginning after such determination is made, sums aggregating the amount so determined, plus interest accruing on such amount (as reduced by appropriations made pursuant to this paragraph) for each fiscal year beginning after June 30, 1956, at a rate for such fiscal year equal to the average rate of interest (as determined by the Managing Trustee) earned on the invested assets of such Trust Fund during the preceding fiscal year.

Gratuitous Wage Credits for American Citizens Who Served in the

Armed Forces of Allied Countries.--(h) (1) For the purposes of this section, any individual who the Secretary finds--

(A) served during World War II (as defined in subsection (d) (1)) in the active military or naval service of a country which was on September 16, 1940, at war with a country with which the United States was at war during World War II;

(B) entered into such active service on or before December 8, 1941;

(C) was a citizen of the United States throughout such period of service or lost his United States citizenship solely because of his entrance into such service;

(D) had resided in the United States for a period or periods aggregating four years during the five-year period ending on the day of and was domiciled in the United States on the day of, such entrance into such active service; and

(E) (i) was discharged or released from such service under conditions other than dishonorable after active service of ninety days or more or by reason of a disability or injury incurred or aggravated in service in line of duty, or

(ii) died while in such service,

shall be considered a World War II veteran (as defined in subsection (d) (2)) and such service shall be considered to have been performed in the active military or naval service of the United States.

(2) In the case of any individual to whom paragraph (1) applies, proof of support required under section 202 (f) or (h) may be filed at any time prior to the expiration of two years after the date of such individual's death or the date of the enactment of this subsection, whichever is the later.

Payments and Reports by States.--Sec. 218.(e) (1) Each agreement under this section shall provide--

(A) that the State will pay to the Secretary of the Treasury, at such time or times as the Secretary of Health, Education, and Welfare may by regulations prescribe, amounts equivalent to the sum of the taxes which would be imposed by sections 3101 and 3111 of the Internal Revenue Code of 1954 if the services of employees covered by the agreement constituted employment as defined in section 3121 of such code; and

(B) that the State will comply with such regulations relating to payments and reports as the Secretary of Health, Education, and Welfare may prescribe to carry out the purposes of this section.

Deposits in Trust Funds; Adjustments.--Sec. 218. (h) (1) All amounts received by the Secretary of the Treasury under an agreement made pursuant to this section shall be deposited in the Trust Funds in the ratio in which amounts are appropriated to such Funds pursuant to subsections (a) (3) and (b) (1) of section 201.

(2) If more or less than the correct amount due under an agreement made pursuant to this section is paid with respect to any payment of

remuneration, proper adjustments with respect to the amounts due under such agreement shall be made, without interest, in such manner and at such times as may be prescribed by regulations of the Secretary of Health, Education, and Welfare.

(3) If an overpayment cannot be adjusted under paragraph (2), the amount thereof and the time or times it is to be paid shall be certified by the Secretary of Health, Education, and Welfare to the Managing Trustee, and the Managing Trustee, through the Fiscal Service of the Treasury Department and prior to any action thereon by the General Accounting Office, shall make payment in accordance with such certification. The Managing Trustee shall not be held personally liable for any payment or payments made in accordance with a certification by the Secretary of Health, Education, and Welfare.

Failure to Make Payments.--Sec. 218. (j) In case any State does not make, at the time or times due, the payments provided for under an agreement pursuant to this section, there shall be added, as part of the amounts due, interest at the rate of 6 per centum per annum from the date due until paid, and the Secretary of Health, Education, and Welfare may, in his discretion, deduct such amounts plus interest from any amounts certified by him to the Secretary of the Treasury for payment to such State under any other provision of this Act. Amounts so deducted shall be deemed to have been paid to the State under such other provision of this Act. Amounts equal to the amounts deducted under this subsection

are hereby appropriated to the Trust Funds in the ratio in which amounts are deposited in such Funds pursuant to subsection (h) (1).

Advisory Council on Social Security Financing.--Sec. 116. (a)

There is hereby established an Advisory Council on Social Security Financing for the purpose of reviewing the status of the Federal Old-Age and Survivors Insurance Trust Fund and of the Federal Disability Insurance Trust Fund in relation to the long-term commitments of the old-age, survivors, and disability insurance program.
