

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. A worker’s lifetime covered earnings largely determine the amount of benefits received.

Table 1.

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. A worker’s lifetime covered earnings largely determine the amount of benefits received.

Table 1.
